Battle Rock Charter School

June 29, 2020

Kwiyagatu Community Academy
Towaoc CO

Dear Colleagues

My name is Tegan Lewis, and I have been the Lead K-2 teacher at Battle Rock Charter School for the last 6 years, as well as the ESS coordinator. Richard Fulton has asked me to reach out and offer my assistance in your preparation for opening.

I have been using the AIMS web platform for progress monitoring for several years now. As you may already know, BOCES utilizes AIMS web for this purpose across the county. We found at Battle Rock that it would streamline our standardized assessment if we adopted this platform for our benchmark testing, and although we have only used it for one year, we were pleased with the focused assessments overall. We especially found it helpful in scheduling more consistent progress monitoring for intervention and the RTI data collection.

Dr. Fulton suggested that you may be using AIMS web when you open and if there is anything that I can do to assist your staff in launching, please let me know.

Sincerely yours,

Tegan Lewis
