PUBLIC EDUCATION &
BUSINESS COALITION

April 20, 2020

Dear Kwiyagatu Community Academy:

The Public Education and Business Coalition is honored to support the Kwiyagatu Community Academy charter school scheduled to open in the fall of 2021. Located in Towaoc, Coloado, the Kwiyagatu Community Academy will be critical new addition to the educational community to the Montezuma County region of Colorado by serving the educational needs of Ute Mountain Ute tribal members and other interested community members. Students at the Kwiyagatu Community Academy charter school will be offered an education grounded in Ute Mountain Ute culture and language. PEBC is looking forward to working together with the Executive Committee of the Academy while they establish the partnerships needed to have a great school.

PEBC believes that we can aid in the development of the school by providing support during the Summer of 2020-Fall 2021 during start-up phase and going during school operations starting in the fall of 2021. Specifically, we can offer support in the provision of curricular instructional support and the training of future teachers.

As stated in the school's mission statement, The Kwiyagatu Community Academy values Ute culture and language; academic achievement; social, emotional, and physical wellness; and the building of a strong interconnected community. These tenets are well aligned with (our organization's) mission statement and core values. We feel that our support is critical and essential part of making this an excellent school.

Sincerely,

Sue Sava
