

Colorado Skies Academy Closure: Frequently Asked Questions (FAQ)

Q: Why is Colorado Skies Academy closing?

A: After careful review and consideration of Colorado Skies Academy's financial condition, the Colorado Skies Academy Board of Directors voted to close the school prior to the start of the 2025–26 school year. The decision is based on financial challenges that prevent the school from opening for the 2025–26 school year. While this was a deeply difficult decision, it was made in the best interest of students, families, and staff.

Q: Is this decision final?

A: Yes. The decision to close Colorado Skies Academy prior to the start of the 2025–26 school year is final and effective immediately.

Q: Where can my child(ren) attend school for the 2025–26 school year?

A: Families must enroll in a different school for the 2025–26 school year. CSI and Colorado Skies Academy will provide information and support to help you identify available options, including nearby CSI-authorized charter schools and district schools.

Q: Will anything at the school remain open?

A: Colorado Skies Academy will not offer instruction during the 2025–26 school year. Administrative staff may remain available for a limited time to assist with records and closure-related questions.

Q: How can parents/guardians stay involved or receive help?

A: We encourage all parents and guardians to attend the family information meeting on **Wednesday, July 30, at 6:00 p.m.** at the school. During this meeting, we will share school options, answer questions, and provide resources to support your child's transition.

If you're unable to attend, the same information will be sent out following the meeting.
